

New Source Review newspaper advertisements for construction permit applications, September 22, 2016. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: September 21, 2016, or September 22, 2016. Public notices are generally published every week. The previous publication of public notices was September 15, 2016.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is DTR Tennessee, Inc. with a mailing address of 150 Hester Lane, Tazewell, TN 37879. The facility seeks to obtain an air contaminant permit (13-0083-38/972011) for its coating operation located at the aforementioned address. The facility proposes to add one (1) urethane foam production line as a permitted source. Due to the amount of emissions, pollution control is not required. There will be physical construction with regulated air contaminants emitted by the source. Tawanna F. Reid is the assigned Division person.

For the Claiborne County "Claiborne Progress"-- publish once on Wednesday, September 21, 2016.

The applicant is Tyson Farms, Inc. with a mailing address of 206 Tyson Dr., Estill Springs, TN 37330. They seek to obtain air contaminant permit(s) for a Micro Bins and Feed Truck Loadouts Operation and associated equipment at the following location: 26-0088-01/971879 for 206 Tyson Drive, Estill Springs, Tennessee 37330. The requested operations are for the approval to emit regulated air pollutants. Mr. Jabari D. Martin is the assigned Division person.

For the Franklin County "Herald-Chronicle"-- publish once on Thursday September 22, 2016.

The applicant is APAC Atlantic, Inc. Harrison Division with a mailing address of 1301 Spring Hill Road, Knoxville, TN 37914. They seek to obtain an air contaminant permit (Division identification number: 45-0065-04/71929) for the modification of a hot mix asphalt plant operation located at 1360 Hicks Road, Jefferson City, TN 37760. This existing operation consists of an asphalt mixing drum with a distillate oil fired heater, material storage, and other associated equipment, including aggregate screens used to produce hot-mix asphalt. The requested modification is to increase both the operational production rate and the heat input capacity of an associated natural gas fired oil heater. A baghouse is used as pollution control. There would not be physical construction. Regulated air contaminants are emitted by this source. Mr. B. Hall is the assigned Division person.

For the Jefferson County "Standard-Banner"--- publish once on Thursday, September 22, 2016.

The applicant is The Rock Market with a mailing address of 2000 Mooresville Rd, Lynnville, Tennessee 38472. They seek to obtain air contaminant permit(s) (Division identification number(s): 59-0145-01/971860G) for the installation of Stage I Vapor Recovery for underground fuel tank, the facility is located on Mooresville Hwy of I-65 (The Rock), Lewisburg, Tennessee 38472. The requested operation is for the approval to emit regulated air pollutants. Mr. Jim A. Attar is the assigned Division person.

For the Marshall County "Marshall County Tribune"-- publish once on Wednesday, September 21, 2016.

The applicant is Nyrstar Clarksville with a mailing address of 1800 Zinc Plant Road, Clarksville, TN 37040. They seek to obtain an air contaminant permit (Division identification number 63-0092-12/72027) for modification of an existing source (operation of a fuel oil fired auxiliary boiler) on 1800 Zinc Plant Road, Clarksville, TN 37040. The requested modification is to replace the existing boiler with a new rental boiler for the same purpose. There would be physical construction and regulated air contaminants would be emitted by this source. Mr. M Ahmed is the assigned Division person.

For the Montgomery County "Leaf-Chronicle"-- publish once on Thursday, September 22, 2016.

The applicant is New Cingular Wireless PC, LLC dba AT&T Mobility with a mailing address of PO Box 5095, Rom 4W200M, San Ramon, CA 94583. They seek to obtain an air contaminant permit (Division identification number: 71-0368-01/72033.) for the construction of an Emergency Generator located at the 1931 West Broad Street, Cookeville, TN 38501. This proposed operation would consist of one (1) generator with a diesel-fired engine (63 kW) and associated equipment used to produce power. Due to the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. J. Horton is the assigned Division person.

For the Putnam County "Cookeville Herald-Citizen"-- publish once on Thursday, September 22, 2016.
